# Level 2 Certificate in Understanding Adverse Childhood Experiences

The **Level 2 Certificate in Understanding Adverse Childhood Experiences** will provide learners with an opportunity to develop an understanding of adverse childhood experiences (ACEs) relevant to their current or future roles and will equip them with basic understanding of techniques for preventing and addressing adverse childhood experiences (ACEs) in practice. This qualification is designed for learners wishing to progress to a wide range of further learning and job roles such as nursery staff, teachers, health/social workers across health and social care, children and young people, nursing, public services and education and training.

**Entry Requirements:** Acceptance onto this course is subject to successful guidance interview & assessment test.

**Assessment:** A portfolio of work is to be submitted for moderation.

**Awarding Body:** NCFE

**Progression Route:** On completion of this course you may choose to undertake further study.
